具體評語 或建議 Concrete comments or recommendations	
結　　果 Result	☐通過/及格 approved　　　　☐不通過/不及格 not approved ☐修改後通過 approved upon revision
評論委員 Reviewer	（請簽章 signature） 院　　戳 School seal

Note：

1. Thesis proposals are rated "approved," "approved upon revision" and "not approved." If more than one half of the committee members rate the proposal as "not approved," then the proposal is considered not approved. The review process is limited to one time only.

2. If a proposal is given an "approved upon revision," three committee members must review the revised proposal and agree to change the rating to "approved" before the proposal can be considered approved.
