Under the supervision of my advisor during the thesis composition, I am well-informed of the definitions and prohibition of plagiarism in academic writing. I declare that the citations in my thesis and the charts or graphs I adopted from others' works have no plagiarism or violations of academic ethics. If any violation of academic ethics in my thesis is confirmed true, I should take legal liability for this and completely agree with the punishment of withdrawal of the Master/Doctor degree granted by Degree Conferral Act Article 17.

I verify that my thesis/dissertation has been checked for plagiarism by software, such as SYMSKAN or iThenticate Plagiarism Checking Software provided by the library of Kainan University, and the results of Plagiarism Checking is attached to this Statement after being reviewed by my advisor who confirmed that no violations of academic ethics are found in my thesis/dissertation before the oral defense.
